It is time for us to start the planning process of our 1st annual barrel race event. Our event will be held in Deridder, LA at the Beauregard Parish Covered arena. We are excited to host three full days of barrel racing!

This race is put on with our youth and adults in mind that have such a love for the sport as do we. We are a family run rodeo production company trying to bring so much more professional, family fun entertainment and events to our area. Although small fees charged cover some of the basic expenses, your sponsorship is essential to ensure a successful race. We would love to count on your support and show off your brand!

Barrelin' Into The New Year was founded by Jerry and Jacklyn Bailey in 2023. Our goals are to increase the number of participants, improve the quality of shows, enhance the image of barrel racing and hopefully with growth be able to give back to the youth and be used where we are needed in our community. Numbers of spectators and competitors combined are expected to exceed the amount achieved at previous events of the past resulting in a larger exposure of your business' brand. All sponsors no matter the tier level will be appreciated to the upmost!

We would love to advertise your company as one of our sponsors. If you do not see a level that suits you or your company, please give Jacklyn a call to discuss the available options. All sponsorships, banners, donations, and awards need to be in hand no later than December 1, 2023, to ensure we have all promotional material ordered for the event. If you are choosing a level that includes your logo being place on advertising material, please email it to 4bbrandedproductions@gmail.com.

Thank you for taking the time to review our sponsorship request and for your consideration,

Jacklyn Bailey (337) 718-2192
